

CHRISTINA A. ROBERTO, PH.D.
Curriculum Vitae

CONTACT INFORMATION

Address: University of Pennsylvania
Perelman School of Medicine
Dept. of Medical Ethics & Health Policy
1105b Blockley Hall
423 Guardian Drive
Philadelphia, PA 19104

E-mail: croberto@pennmedicine.upenn.edu
Website: <http://www.peachlab.org>

EDUCATION

2012 **Ph.D.**, Yale University, Clinical Psychology
2012 **Joint-Ph.D.**, Yale University, Chronic Disease Epidemiology

2012 **Clinical Internship**, Yale University School of Medicine, Department of Psychiatry

2004 **A.B.**, Princeton University, Psychology, Magna Cum Laude

PROFESSIONAL APPOINTMENTS

2015- Assistant Professor of Medical Ethics and Health Policy, Department of Medical Ethics and Health Policy
Perelman School of Medicine, University of Pennsylvania
Secondary appointment, Annenberg School of Communication, University of Pennsylvania

2015-2016 Adjunct Assistant Professor, Department of Social & Behavioral Sciences
Harvard T.H. Chan School of Public Health

2013-2015 Assistant Professor, Departments of Social & Behavioral Sciences and Nutrition
Harvard T.H. Chan School of Public Health

2014-2015 Co-Director, Strategic Training Initiative for the Prevention of Eating Disorders
Harvard T.H. Chan School of Public Health

2012-2014 Robert Wood Johnson Foundation Health & Society Scholar
Harvard T.H. Chan School of Public Health

2012-2013 Visiting Lab Associate
Rudd Center for Food Policy & Obesity, Yale University

PROFESSIONAL AFFILIATIONS

2015- Senior Fellow, Center for Health Incentives and Behavioral Economics at the Leonard Davis Institute, University of Pennsylvania

2015- Senior Fellow, Leonard Davis Institute of Health Economics, University of Pennsylvania

- 2015 – Senior Fellow, Center for Public Health Initiatives, University of Pennsylvania
- 2016 – Affiliate, Penn Wharton Public Policy Initiative

HONORS & AWARDS

- 2017 Public Health Impact Prize, Center for Public Health Initiatives, University of Pennsylvania
- 2012 James B. Grossman Dissertation Prize, Yale University
Awarded annually to “the author of an outstanding doctoral dissertation in psychology”
- 2011 Graduate Student Assembly Conference Travel Fund Award, Yale University
- 2010 Public Service Award as a Public Scholar, Yale University
Awarded in recognition of “outstanding dedication to research that engages and betters the world at large”
- 2010 William Kessen Teaching Award, Yale University
Awarded annually to “the psychology graduate student who best exemplifies a deep commitment to teaching and outstanding mentorship and who has inspired others”
- 2008 Eating Disorders: Classification & Diagnosis Conference Travel Fellowship
Supported by R13 NIH Grant
- 2007 Academy for Eating Disorders NIMH Student/Early Career Investigator
Travel Fellow Award

GRANT FUNDING

- 2018 NIH R01DK115492 National Institute of Diabetes and Digestive and Kidney Diseases, “New insights into the federal calorie labeling law.” Co-investigator (PI: Block), \$3,269,957
- 2018 NIH R01DK113307 National Institute of Diabetes and Digestive and Kidney Diseases, “A large-scale, long-term randomized trial of nutrition labeling interventions.” Principal Investigator, \$1,334,344
- 2018 NIH R01CA229502 National Cancer Institute, “a randomized trial of web-based behavioral economic interventions to promote healthy food choices among food pantry clients.” Principal Investigator, \$2,309,599
- 2018 NIH R01DK114735 National Institute of Diabetes and Digestive and Kidney Diseases, “Psychological, cognitive, and genetic factors in a behavioral intervention to prevent weight gain.”

- Co-investigator (PI: Thorndike), \$1,695,941
- 2017 NIH R21TW010837 Fogarty International Center, “Preventing non-communicable diseases in Guatemala through sugary drink reduction and capacity building.”
Principal Investigator, \$363,713
- 2017 NIH R01DK111558 National Institute of Diabetes and Digestive and Kidney Diseases.
“Communicating the health risks of sugar-sweetened beverages.”
Principal Investigator, \$1,946,315
- 2017 Leonard Davis Institute of Health Economics Policy Accelerator Award. “A test of different sodium warning label designs for restaurant menus.”
Principal Investigator, \$5,000
- 2016 Bloomberg Philanthropies, “Evaluating the Philadelphia beverage tax.”
Multiple-Principal Investigator (w/ H. Lawman and S. Bleich), \$2,968,000
- 2016 NIH National Institute on Aging P30AG034546 Penn CMU Roybal Center on Behavioral Economics and Health Pilot Grant, “Communicating the health risks of sugar-sweetened beverages.”
Principal Investigator, \$21,000
- 2015 RWJF Healthy Eating Research, “Increasing the impact of menu labeling.”
Principal Investigator, \$182,064
- 2015 National Institutes of Health Early Independence Award DP5OD021373, “Impact of racially targeted food and beverage advertisements on adolescent behavior.”
Co-investigator (PI: M. Bragg), \$2,076,375
- 2015 Wellcome Trust, “Linking health and environmental outcomes to dietary behaviours in the United States.”
Co-investigator (PI: D. Rose), \$624,997
- 2015 NIH National Institute on Aging P30AG034546 Penn CMU Roybal Center on Behavioral Economics and Health – Research Supplements to Promote Diversity in Health-Related Research Program
Multi-Principal Investigator (w/ K. Volpp), \$256,544
- 2015 The Society for the Psychological Study of Social Issues, “Assessing the influence of nutrition facts labels on consumer decision making and consumer understanding.”
Co-investigator, (PI: Khandpur (student advisee)), \$2,500
- 2014 RWJF Healthy Eating Research Commissioned Project, “The influence of health warning labels on sugar-sweetened beverages.”
Principal Investigator, \$35,000
- 2014 Produce for Better Health Foundation, “Manipulating the sensory variety of fruits and vegetables to increase their intake.”
Co-Investigator, (PI: Vadiveloo), \$15,000
